NEXT OPAL IN BRILLIANCE

WHERE OPALS
BREATHE

MEASURED URBAN BREATHS

Located within the prestigious Mohammed Bin Rashid City, District 11 offers a harmonious blend of modern living and serene surroundings. With seamless connectivity to Downtown Dubai and top-tier amenities, it's designed for families seeking comfort and convenience. Lush landscapes, schools, and parks make it an ideal choice for a balanced urban lifestyle.

GLORY RIDES AT MEYDAN

Meydan
District II

MINUTES FROM MAJESTY

White Opals is ideally located in the prestigious MBR District 11, offering residents refined living in one of Dubai's most sought-after neighborhoods. Surrounded by attractions like Sand Beach, Lagoon Car Park, and scenic cycle tracks, it combines leisure with luxury. With Meydan Racecourse just 10 minutes away and Dubai International Airport only 20 minutes away, connectivity is truly effortless.

FITNESS AT HEIGHT

At AIZN Developer, there is a commitment to creating spaces that elevate everyday living. More than mere structures, each project is approached as a setting where comfort, function, and design are considered with intent. Built environments are shaped to respond to their surroundings and to serve those who inhabit them. Among the key locations where this approach is reflected are Palm Jumeirah and Downtown Dubai. On Palm Jumeirah, refined coastal living is offered through access to waterfront views, curated retail, and select beachside venues. In Downtown Dubai, urban convenience is characterised by the presence of iconic landmarks, global retail names, and celebrated dining destinations.
