“

BUILD A LIFE FULL
OF WONDER.

”

A warm, golden-hour photograph of a man and a young child lying on their stomachs in a field of tall grass and wildflowers. A golden retriever is lying between them, looking up at the child. The man is smiling and petting the dog's head. The child is laughing and touching the dog's face. The scene is bathed in soft, warm light, creating a sense of joy and connection with nature.

ARCHITECTS OF INSPIRATION

Aldar is the leading developer of Abu Dhabi's most iconic and sought-after addresses. From the energy of Yas Island to the cultural heart of Saadiyat, Aldar's communities set the stage for growth and connection. With a growing global footprint, we continue to transform the city's landscape into landmarks of modern living.

AN ISLAND OF MOMENTUM

A kaleidoscope of experiences, Yas Island seamlessly moves between energy and ease. Within minutes, find yourself at the centre of world-class attractions, from the adrenaline of the circuit to the quiet elegance of the marina. From calm to curiosity, everything you seek is at your doorstep.

The image shows a bright, modern interior space, likely a lobby or common area. On the left, large floor-to-ceiling windows offer a view of a modern apartment building with balconies. The interior features a minimalist design with a white reception desk in the center, labeled "RECEPTION". Behind the desk is a wall with a grid pattern. In the foreground, there are several large, light-colored armchairs arranged in a circle, with a small round table in the center. A large, dark wooden table with a tree-like structure is on the right. The ceiling has a complex, geometric light fixture. The overall atmosphere is clean, bright, and sophisticated.

“

IN EVERY MOMENT,
THERE IS WONDER.

”

A small brown bird is perched on a thin, horizontal tree branch. The scene is framed by a large, light-colored tree trunk on the left and a sheer, light-colored curtain on the right. The background is a soft-focus view of green foliage and a bright sky, suggesting a natural, outdoor setting. The lighting is warm and golden, creating a serene and intimate atmosphere.

AN EXPRESSION OF YOU

Two interior palettes offer different expressions of the design. Each palette is carefully composed by DiLeonardo to respond to the natural surroundings, creating a world that feels unmistakably yours.

A young girl with long brown hair, wearing a yellow patterned shirt and blue overalls, is looking up in awe at a large stingray swimming in an aquarium. The scene is dimly lit with blue ambient lighting. In the foreground, there is a large, brown, textured coral-like structure. The background shows other parts of the aquarium, including a large blue fish and some architectural elements.
