THE NAME BEHIND THE NEIGHBOURHOOD

As one of the UAE's most trusted and recognised real estate developers, Aldar creates communities that do more than provide an address, they give life room to breathe.

For over two decades, we've been building neighbourhoods with a pulse, communities with a story, and places families take genuine pride in. Not just buildings, but the spaces where something meaningful becomes possible.

From the communities we design to the experiences we shape, every detail is crafted to make life a little richer. Because at Aldar, it's never just about where you live. It's about what becomes possible there.

A young girl with dark hair is lying on her back in a field of tall grass at dusk. She is wearing a light blue button-down shirt and reddish-brown pants. She is holding a thin plant stem in her right hand, reaching it up towards the sky. In the background, there is a row of modern, two-story houses with large windows and balconies, some of which are lit up. Palm trees are scattered around the houses. The sky is a deep blue with many stars visible. The overall mood is peaceful and serene.

A SPACE BUILT

TO BREATHE

AL GHADEER

G A R D E N S

Introducing a new community shaped by open skies,
and a more grounded rhythm of life. Thoughtfully
positioned between Dubai and Abu Dhabi, Al Ghadeer
Gardens brings nature, community, and everyday ease
together in one place.

BETWEEN TWO WORLDS. BEYOND BOTH.

16 minutes from Maktoum International Airport.

35 minutes from Zayed International Airport.

And yet, a world apart.

Al Ghadeer sits at the meeting point of two of the world's great cities. Close enough to reach them, far enough to breathe.

Under open skies, life moves at a different pace. One that leaves room for the things that matter most.

THE FIRST CHAPTER OF SOMETHING GREATER

Al Ghadêer is already an established address between Dubai and Abu Dhabi. It's the first expression of Seih Sedeirah, a bold vision for a community that will keep growing long after you move in.

A rich wellness-focused community with a heartbeat, amenities in place, and shaped for people who want more from where they live.

This is where a new era of living begins, and where you have the chance to be part of something special from day one.

AL GHADEER GARDENS

Wide open, green, and full of reasons to step outside, Al Ghadeer Gardens is the new neighbourhood taking shape within Al Ghadeer.

A setting where shaded walkways all lead somewhere worth going, the gardens are full of energy, and laughter is never far away. A rare combination of belonging, and breathing room, to live life on your own terms.

From the moment you move in, everything is already here. Al Ghadeer British School, the café, the open sky. And as Al Ghadeer keeps growing, so does the value of being first.

WHERE THE SKY CHANGES EVERYTHING

Discover space so open it changes how you breathe.

Dunes contrast with green gardens, and stargazing lawns invite you to lie back, look up, and simply be. No city glow. No noise. Just you, the sand, and more stars than you thought possible.

At Al Ghadeer Gardens, nature isn't the backdrop. It's the point.

Introducing **Al Ghadeer British School**, the newest chapter of community life, taking shape within the neighbourhood.

THE SCHOOL RUN IS NOW A SCHOOL WALK

At Al Ghadeer Gardens, your kids can walk to school on pedestrianised roads, through a neighbourhood that knows their name. Past the gardens they play in, to an Aldar-run Al Ghadeer British School at the heart of their own community.

You don't just want a home for your children. You want a childhood for them. Friends on the same street. A school they can walk to. Space to run, explore, and come back safely even when it gets dark.

Al Ghadeer Gardens is where your children grow up, not away.

BUILT FOR THE RITUAL OF COMING TOGETHER

Imagine a community where your neighbours are also your Friday plans. Where children run between gardens and adults linger long after the last bite is gone.

Where the last ember of the fire is the only reason the night ends.

With BBQ pavilions, shaded picnic lawns and a community Hub, there's always a reason to gather.

From activated public spaces to the morning school run on streets designed for people, not cars, every detail here is designed around bringing people together.

A HOME THAT GROWS WITH YOUR FAMILY

This is a place you grow into, and grow with. Al Ghadeer Gardens offers a choice of townhouses and villas with room for every stage of family life. Whether you are starting out, building something lasting, or putting down deeper roots, each home is designed for the full arc of life.

Smart living, modern comfort, and a self-sufficient environment make everyday life feel effortless, while nature keeps it open, calm, and alive.

DIFFERENT WORLDS AT YOUR DOORSTEP

Perfectly placed between Abu Dhabi and Dubai, minutes from Maktoum International Airport, and yet completely rooted in a tight-knit community.

Al Ghadeer Gardens offers the rare combination of global access and genuine belonging, connected living that never asks you to trade calm for convenience.

A NEW HORIZON

OF LIVING

A HOME THAT NURTURES YOU TODAY & GROWS WITH YOU TOMORROW

Every detail has been considered. Every finish chosen with intention.

Natural light moves through generously proportioned rooms, drawn in by full-height windows that blur the line between inside and out. Beneath your feet and against your fingertips, layered premium finishes bring warmth, depth, and quiet luxury to every surface.

Two distinct interior palettes, light and dark, let you shape a home that feels unmistakably yours. Concealed storage dissolves the clutter of daily life, leaving only the beauty of the space itself.

In spacious bathrooms, the pace slows entirely. Spa-inspired in design and feeling, they are conceived as a private sanctuary, a place to begin and end the day with complete calm.
