at the core*

RESIDENCES OVERVIEW

A masterplan designed to hold life at scale, without losing its sense of quiet. Sobha Sanctuary is to bring together **~20,000 families** while being shaped around nature, balance, and daily ease.

Social Gathering

Social life unfolds across community hubs and shared courtyards, with event lawns and open gathering spaces. Amphitheatre settings create moments worth sharing, while co-working spaces and multi-purpose halls support the rhythm of everyday connection.

Family

Family life is enriched by a vibrant social club and a thoughtfully curated mix of children's play spaces, family zones, and youth-friendly areas. Daily routines feel effortless with walkable retail close at hand, while farmers' market experiences bring a sense of freshness and vitality.

Pets

Pet wellness is seamlessly integrated into the community through dedicated therapy gardens and play zones.

A modern residential development with a lush garden and children playing. The scene is set in a bright, sunny environment with a clear blue sky and scattered clouds. In the foreground, a paved walkway leads to a garden area with various plants, including ferns and small flowers. Two children are playing with yellow toy trucks on a sandy patch. In the middle ground, a couple is sitting on a stone bench, looking towards the camera. The background features several modern, multi-story buildings with large windows and balconies. The overall atmosphere is peaceful and inviting, emphasizing a connection with nature.

*Nature immersion,
restoration, and
balance.*

Nature leads the experience across Sobha Sanctuary, with **~50% open and green spaces** flowing through every zone, anchored by a **~800,000 sq. ft. park.**

Sobha Sanctuary's green corridors flow through forest walks and shaded trails, leading into botanical gardens and sensory landscapes. Along the way, create moments of stillness, perspective, and connection with the environment.

Wellness built into the day

Wellness at Sobha Sanctuary is designed to feel natural, supported by space through a **~5 km leisure loop** that invites recreation, exploration, and everyday movement. A **9+ km wellness loop** is also purpose-built for walking, cycling and a myriad of health-focused activities.

Outdoor fitness zones

Open-air training spaces, sports courts, and a full-size football field, tennis court, and cricket ground make everyday activities effortless, while inclusive wellness areas for seniors offer a relaxed setting for gentle routines and meaningful social connection.

Meditation lawns

Serene enclaves are woven throughout the landscape, unfolding into Zen rock gardens and forest trails. Hammock courts and reflexology paths invite unhurried moments to pause, reset, and return to the day feeling lighter and more grounded.

A large, modern residential complex with a swimming pool and lounge area. The scene is set in a sunny, outdoor environment with lush greenery and palm trees. In the foreground, a woman in a blue hijab and a man are relaxing on lounge chairs. Children are playing in the sand near the pool. The background features several multi-story apartment buildings with balconies and large windows. The sky is blue with scattered clouds.

A Refined Expression of Water Spaces

A composed sequence of water-based spaces, including a hydrotherapy facilities, saunas, and steam rooms, forms an integral part of the community's shared environments, designed to support daily life with quiet consistency.

A landscape defined by water

Create moments of pause, while water sculpture plazas introduce a sense of reflective calm. A vibrant splash pad brings playful energy for all ages. At its heart, a beach lagoon offers a relaxed, resort-style retreat, shaping landscapes designed for calm, delight, and retreat.

A futuristic urban scene featuring a curved, multi-story glass building with a modern design. In the foreground, a woman in a green jacket and blue jeans walks alongside a silver humanoid robot carrying a brown paper bag. A yellow and black drone is flying in the sky above them. The area is lush with green trees and plants, and a paved path leads through the scene. The overall atmosphere is clean, modern, and sustainable.

Sustainability
at Sobha
Sanctuary
is a framework

From smart mobility and ~20km of connected cycling networks to sustainability, it is all woven throughout the masterplan. Extending across infrastructure, community spaces, and homes, integrated systems seamlessly minimize environmental impact.

THE WOODS

AT SOBHA SANCTUARY

Where every window meets the woods

THE WOODS

AT SOBHA SANCTUARY

A private woodland enclave where homes are shaped by water views, natural light, and a deeper connection to the outdoors.

Located within landscaped corridors

The Woods is set on one of the most coveted plots within the masterplan, framed by expansive parks at both the front and rear. With uninterrupted green vistas along its longer edges, adjoining townhouse communities, and proximity to a key educational institution, its location is both rare and highly connected.

This unique positioning shapes every design detail, where panoramic views, seamless green links, and a sense of openness come together to create an atmosphere of calm exclusivity.

Site Plan

The background of the image is a close-up, high-resolution photograph of a wood grain. The wood is cut in a way that shows concentric growth rings, creating a circular, ripple-like pattern. The colors range from deep, dark browns to lighter, golden-brown tones, highlighting the natural texture and grain of the wood. A prominent, dark blue diagonal stripe runs across the upper left portion of the image, adding a modern, graphic element to the natural wood texture.
